The Julia Pelot Colket Graduate Student Child Care Assistance Scholarship

The **Julia Pelot Colket Graduate Student Child Care Assistance Scholarship (JPCGSCCAS)** was created to provide much needed support for graduate students with children. This scholarship will provide selected recipients with funds to assist with the growing cost of childcare for one or more children to allow the student to pursue their academic endeavors and excel in their chosen program of study. Students will be considered for support if they meet the following criteria:

- Currently enrolled graduate students who are attending Graduate School at least 10 years after graduating with their undergraduate degree
- Have a child or children needing childcare while they are in graduate school
- Have demonstrated a specific need for funding

APPLICATION INSTRUCTIONS:

Please use this JPCGSCCAS Application Link to apply.

A complete application package must include the following materials:

- 500-word cover letter from the applicant demonstrating the financial need for childcare to excel in program of study (PDF).
- A copy of the applicant's undergraduate transcript (official or unofficial copies are acceptable) in a PDF.

APPLICATION DEADLINE:

All application materials should be submitted by **February 1st (only completed applications will be reviewed)** through the application link provided above.

AWARD AMOUNTS AND TENURE:

Award amounts may vary based on demonstrated need and available funding. Awards are issued as a single payment. Recipients are eligible and encouraged to reapply for this award.
